Super
Eaters

We are thrilled to share the fantastic success of our Doughnut Sales and Frozen Fridays this year! These delightful events have not only brought joy to our students but have also contributed massively to the PTA pot. Thank you for all the eating you have done over the past few months!

Goodbye and Thank You

A big thank you to everyone for making this year a great success. Everyone's efforts have been hugely appreciated. **Particular thanks goes to Sam Watson who has now officially resigned her post** on the committee after 5 years. She has been exceptional in supporting and organising events for and with the PTA and will be sorely missed. Thank you Sam. **Thank you also to Kerry Clark who will be standing down from her post as Co Chair.** Kerry has worked tirelessly throughout the year, which was always going to be difficult as the first take over year from the previous Chair. She will be missed in the post but will remain in the PTA as a committee member and volunteer.

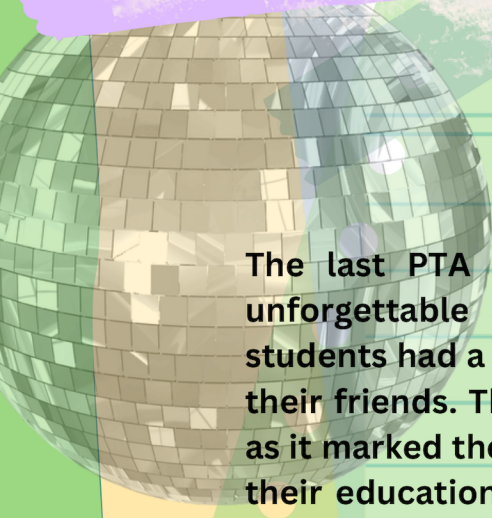

SPORTS Day **WORKOUT**

We are delighted to share the highlights of Horsmonden Primary Academy's 2024 Sports Day! The event was filled with excitement and joy as students showcased their skills and sportsmanship across various activities, including the challenging obstacle course, the classic egg and spoon race, exhilarating hurdles, and spirited running events. The atmosphere was electric with cheering supporters, and we are incredibly grateful for the overwhelming participation in our tuck shop and second-hand honesty shop sale, which raised an impressive £238.74. This support not only fuelled our young athletes but also contributed to enhancing our school's resources. Thank you to everyone who made this day unforgettable!

Summer Disco

The last PTA disco of the year, held in the summer term, was an unforgettable evening filled with music, laughter, and dancing! Our students had a fantastic time, celebrating the end of the school year with their friends. This disco was particularly special for our Year 6 students, as it marked their final PTA disco before moving on to the next chapter of their educational journey. As a special celebration, the Year 6 students were given additional time to party after everyone else had left, creating cherished memories with their classmates. Thank you to everyone who attended and made this event such a memorable success!

Clothes Bank

We are excited to share the success of our recycling clothes bank, which has already raised £100 for the school! This initiative has not only helped us generate funds but also promoted sustainable practices within our community. However, much more is needed to reach our goals and further support our school programs. We encourage everyone to continue donating their gently used clothes, shoes, and textiles. Your contributions make a significant difference, and together, we can achieve even greater results for our school! Thank you for your ongoing support and participation.
